SEPTEMBER 30

Florida

Arrive in Orlando and meet your fellow travelers and expedition staff at a welcome reception and dinner.

ACCOMMODATIONS

The stunning Ritz–Carlton Orlando, Grande Lakes offers many opportunities to indulge, including the 18-hole, Greg Norman-signature golf course and a 4,000-square-foot outdoor lap pool.
Peru

Lima, Cusco and Machu Picchu, or the North Coast

A land of incredible diversity, Peru offers awe-inspiring landscapes and a warm, lively culture. We land in Lima and overnight before boarding local air to Cusco, the base of our explorations.

The historic Hiram Bingham train is an essential experience that evokes the bygone days of travel with onboard entertainment and delicious dining. Arrive relaxed at Machu Picchu, one of the world’s most extraordinary archaeological treasures. Sky-high mountains frame this impressive Inca site brimming with stone altars, temples and terraced gardens. Inca and Spanish cultures intermingle in Cusco, which is filled with colonial architecture and ancient Inca foundations. Meet with master Andean weaver Nilda Callañaupa who works to preserve traditional Peruvian textile art.

Alternate: For guests who have visited Machu Picchu or have difficulty at high altitudes, travel by local air to Peru’s North Coast, home to the temples of Trujillo and Chiclayo, the richest burial chambers ever found in the Americas. The area is also home to the UNESCO World Heritage site of Chan Chan, the largest adobe city in the world.

Accommodations

Lima: Conveniently located in the heart of the Miraflores cultural district, the Hilton Miraflores combines traditional 18th-century Peruvian architectural elements with contemporary décor.

Cusco: The Palacio Nazarenas is a former 16th-century Carmelite convent that has been painstakingly restored to become the city’s premier hotel with prime access to the city center.

North Coast: The Hotel Costa del Sol Trujillo offers guests a quiet, modern space to relax after a day of activities.
OCTOBER 4-5

Chile

Easter Island

Discover life on Easter Island, located more than 2,000 miles off the coast of Chile. Approximately 850 massive stone figures, known as moai, are concentrated in Rapa Nui National Park, a UNESCO World Heritage site.

Explore the Rano Raraku quarry where the moai appear frozen in time. Discuss the history of these phenomenal statues with renowned archaeologists as they reveal the stories behind the discoveries and disputed theories. In the evening celebrate Rapa Nui culture with a dance performance showcasing local musicians and elaborate costumes.

Accommodations

The Hangaroa Eco Village & Spa uses natural materials like cypress trunks and volcanic rock to create seamless harmony with the landscape. The spacious seaview deck allows for peaceful stargazing and relaxation.
Samoa

Apia

We cross the international date line on Oct. 6, losing a day en route, and arrive in Samoa on Oct. 7. The cradle of Polynesian culture, the island is a quick stopover on our way to Australia.

The following morning choose from the following options: visit the famous home of Robert Louis Stevenson, the Treasure Island author and poet, snorkel among vibrant coral and fish, or simply relax at the hotel.

Accommodations

Experience famous Samoan hospitality at Aggie Grey’s Lagoon, Beach Resort & Spa. Enjoy shimmering views of the water from the beach or try the swim-up pool bar.
OCTOBER 8-9

Australia

Great Barrier Reef or Daintree Rainforest

The northeast coast is home to two of the world’s most impressive natural wonders—the Great Barrier Reef and Daintree Rainforest.

After landing in Cairns and enjoying a scenic drive, prepare for a full day of sea adventures at the Great Barrier Reef, a UNESCO World Heritage site and the largest known coral reef on the planet. Cruise to its northern reaches and snorkel among a diverse display of corals, fish and sea turtles for an unforgettable experience.

Alternate: In the Daintree, take a tour with an Aboriginal guide through the world’s oldest living rain forest, approximately 90 million years older than the Amazon.

Accommodations

Located at the end of famed Four Mile Beach, the thoughtful design of Pullman Port Douglas Sea Temple Resort and Spa reflects its pristine coastal setting. Take in expansive ocean views or enjoy the hotel’s massive lagoon pool.
Cambodia

Angkor or Phnom Penh

Angkor is a source of immense pride for Cambodians and a UNESCO World Heritage site rich in cultural and spiritual significance. The city of Angkor Thom represents ancient urban planning at its best. This “city of temples” incorporates canals, large water reservoirs and, of course, temples, including the famous Angkor Wat, Bayon and Ta Prohm. This entire Angkor area, approximately 150 square miles, is a testament to the forward-thinking design of the Khmer Empire.

At sunrise join monks for a blessing ceremony at Angkor Wat. Explore and reflect during a visit to the verdant lost temple in the jungle, Beng Mealea. Meet children and teachers at a nearby school for a glimpse into daily life. Shop for unique souvenirs like Khmer silks and handicrafts at Artisans Angkor, an organization dedicated to supporting Cambodia’s artists and craftspeople.

Alternate: If you have already visited Angkor, fly by local air to the capital of Phnom Penh for a two-day exploration of Cambodia’s tumultuous history, including the Tuol Sleng Genocide Museum and Choeung Ek, the “killing fields,” and the National Museum.

Accommodations

With 15 acres of French gardens and Art Deco-inspired interiors, the Raffles Grand Hotel d’Angkor will make you feel like royalty. Elegant rooms are adorned with Cambodian art and include handmade silk bathrobes.

Alternate: The Raffles Hotel Le Royal, Phnom Penh features French colonial architecture, wood floors and overhead fans, evoking a classic, long-ago travel era.
India

Taj Mahal

No trip to India is complete without a visit to the Taj Mahal, the white marble mausoleum that took over 22 years, 20,000 people and 1,000 elephants to construct.

Opt for a sunrise visit to the Taj to see it bathed in foggy shades of pink and orange. Outstanding royal works are also near this iconic site. Akbar’s Tomb showcases eccentric design, a melding of Hindu and Islamic styles. Inside the Red Fort of Agra see the exquisitely designed Gem Mosque, built as a quiet place for contemplation and prayer.

Alternate: Fatehpur Sikri, “the City of Victory,” is the former capital of the Mughal Empire and features one of the largest mosques in India—and an immense chessboard that was played with people instead of pieces.

Accommodations

Prepare for an opulent experience at the Oberoi Amarvilas, a property regularly featured on top hotel travel lists. Rooms feature a view of the Taj, which creates an air of private regal romance. Manicured lawns, ornate fountains and reflection pools adorn the hotel grounds.
Tanzania

Serengeti Plain or Ngorongoro Crater

The Serengeti Plain is home to Tanzania’s largest national park and Africa’s densest “big cat” predator population. It’s also the site of the most complex and least disturbed ecosystem on the planet.

Arrive in Kilimanjaro and transfer to the Serengeti Plain via light aircraft. Your safari begins the moment you land with a game drive to the lodge. Watch lions and antelope dart across the seemingly endless landscape. The following day, take in the plain’s wildebeest, zebra and more than 500 species of birds. Toast to your adventures back at the lodge.

Alternate: If you have already visited the Serengeti, take light aircraft to the Ngorongoro Crater, the largest unbroken caldera in the world, to observe its permanent population of about 25,000 animals.

Accommodations

A stay at the Four Seasons Safari Lodge Serengeti allows guests to spot wildlife from sophisticated comfort. Each room features local art and a furnished sundeck with incredible views. The wildlife adventure continues with a dip in the hotel’s infinity pool, which overlooks an elephant watering hole.

Alternate: Perched on the crater’s rim, the Ngorongoro Crater Lodge is the ideal location from which to base your excursions. This property features large windows for uninterrupted views of surrounding landscapes and wildlife, and a magnificent deck to enjoy an evening cocktail while the sun sets.
Jordan
Lost City of Petra or Wadi Rum

Jordanians are known for their tremendous hospitality and communal meals. To receive a “Jordanian invitation” means to show up with nothing and eat everything offered. Hospitality permeates all aspects of the culture, and locals take great pride in welcoming visitors.

Half-built, half-carved into rose-red cliffs by the mysterious Nabataean people more than 2,000 years ago, Petra was once a rich, sprawling metropolis of lush gardens, fountains and villas. Imagine this long-forgotten era as you walk through the Siq, a narrow chasm in the bedrock, and emerge before the elaborate Treasury. In the evening, dine on local dishes while Bedouin dancers provide traditional entertainment.

Alternate: Go on a jeep safari to explore the lunar-like landscape of Wadi Rum, made famous in the film Lawrence of Arabia.

Accommodations
Selected for its ideal proximity to the sights, Mövenpick Petra features natural stone, handcrafted wood and Middle Eastern fabrics and textures, along with a complimentary minibar in each room.
OCTOBER 19-20

Morocco

Fez

Long considered the spiritual, cultural and intellectual capital of Morocco, Fez beckons visitors to experience the medina. The famous Fes el Bali is a labyrinth of souks, famous mosques and workshops. It’s also the best preserved historic town in the Arab-Muslim world.

Investigate the city with a local guide, exploring its traditional architecture and daily street life. Observe tanners, silk dyers and other skilled artisans who practice centuries-old traditions. Haggle at the bustling souks and specialty stores to search for antiques and traditional rugs. Though the medina is for pedestrians only, scooters, carts and donkeys dash through the narrow streets to create an operative chaos that has thrived since the ninth century. At night, celebrate your unforgettable journey over cocktails and traditional Moroccan delicacies at a farewell dinner that caps off this momentous journey.

Accommodations

The Sofitel Fès Palais Jamai blends distinct Moroccan touches with French accents. Rooms are embellished with stained-glass windows and detailed tile work, and include private balconies with medina or garden views.
