Who can travel with Notre Dame!  

The Notre Dame Alumni Travel program (NDAT) is open to all Notre Dame alumni, their families, friends, and former students and staff.

Will I be physically able to participate on my trip?  

Contact the travel supplier to inquire about specific trips and requirements. If you have any physical limitations, please call the travel supplier to help you make your decisions.

Can I bring my children on an Alumni Travel trip?  

Most Alumni Travel programs are designed for adults. Some programs specifically encourage family participation, and children may travel with you, depending on the nature of the tour activity and your ability to care for them. All travelers must be in good physical and mental health and be able to keep pace with the group.

What is the dietary situation like?  

Travel suppliers offer a variety of services and meals that may accommodate different dietary needs. Please call the travel supplier to discuss your specific requests.

Can I have my own air travel?  

May I arrange my own air travel?  

To lock in low airfares, our travel suppliers have negotiated special rates with major airlines that may require you to take non-direct flights. Please feel free to discuss a “land only” option with the travel supplier.

How do I register for my trip?
